

## 2<sup>nd</sup> Announcement

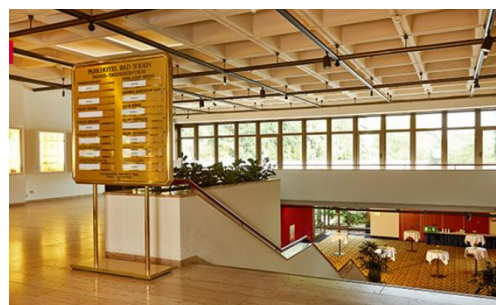

# 27<sup>th</sup> Workshop, June 27 - 28, 2024 *The Synthesis and Applications of Isotopes and Isotopically Labelled Compounds*

### Invitation

On behalf of the International Isotope Society - Central European Division -, we are pleased to invite you to the 27<sup>th</sup> Workshop at Bad Soden on June 27 – 28, 2024. The focus of the meeting is the synthesis and application of isotopes and isotopically labelled compounds in all research disciplines. Among the topics to be covered are new methods in synthetic organic chemistry relevant to isotopic labelling, applications of radioactive and stable isotopically labelled compounds in research and biosciences, PET chemistry, new trends in analytics and measuring techniques, radioactive storage management and waste disposal. By established tradition, an analytical pre-workshop starting on Thursday (June 27) morning will be organized by Dr. Martin Sandvoss and Ralf Kiesling.

### Conference Site

The workshop venue will be the H+ Hotel, formerly RAMADA, located in the centre of Bad Soden, Germany, a spa town with 30 mineral springs close to Frankfurt (15 km northwest). Bad Soden can be easily reached by train (20 min) from Frankfurt Central Station or by car from Frankfurt Airport (15 min). The hotel restaurant is renowned for its services and wonderful park-view location.

### Call for Presentations

As in past years, the organising committee requests your active participation in this event and invites all colleagues working in the field of isotopic labelling to present their research work in either oral or poster format. The organisers would like to point out that also short contributions are also highly appreciated. Oral presentations will be accepted for time slots ranging from 10 to 30 minutes. This workshop provides also a good opportunity for young researchers from academia to present their current work; financial support can be provided upon request.

**To help us in generating a preliminary outline for the scientific part of the workshop, please inform us of your interest in presenting your work (either oral or poster format) as soon as possible. The deadline for applications (please refer to the abstract submission form) is May 17<sup>th</sup>, 2024.**

### Programme (preliminary schedule)

Thursday, June 27, 2024, 10 am:

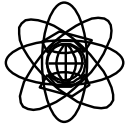

Analytical workshop with a focus on radioanalytics

Thursday, June 27, 2024, 1 pm:

Beginning of scientific sessions

Friday, June 28, 2024, 3 pm:

End of workshop

## Scientific Programme

It is intended to present both invited plenary lectures and submitted contributions.

With great pleasure, we would like to announce that

*Prof. Dr. Cristina Müller, Paul Scherrer Institut (PSI), ETH Zürich*  
and  
*Dr. Josep Cornella, Max-Planck-Institut (MPI), Mülheim*  
will talk about their recent scientific accomplishments.

These renowned scientists in combination with other already confirmed presentations make us feel confident that we will be able to arrange a very attractive workshop. Nevertheless, we would like to encourage everybody to contribute to this workshop by submitting an abstract and present their scientific work in an oral presentation or at the poster exhibition.

## Social Event

On Thursday late afternoon you are cordially invited to join us for a visit of Idstein, a town in the Taunus mountain range. The first documentary mention of Idstein was in 1102. Enjoy a guided tour through the Old Town, admire the historic buildings and listen to a story collection from more than 700 years. We will have guides in English and German.

## Sponsoring

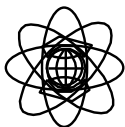

To maintain the high scientific standards of this internationally renowned workshop, featuring invited speakers from both academia and industry, and to facilitate student participation, we kindly request your financial support for this event. Your tax-deductible donation to the workshop represents a worthy and highly efficient investment in progress of science and customer relationship. All donors will be publicly acknowledged in workshop correspondence in the workshop transcription and during the workshop days. If you are interested in sponsoring the meeting please contact:

Dietrich Seidel from the organising committee ([treasurer@iis-ced.de](mailto:treasurer@iis-ced.de)).

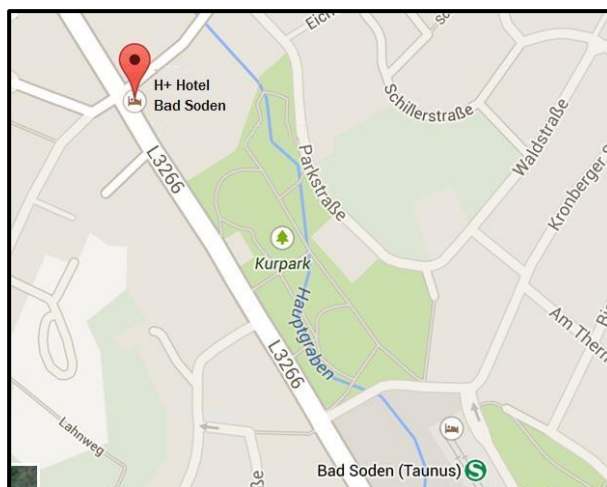

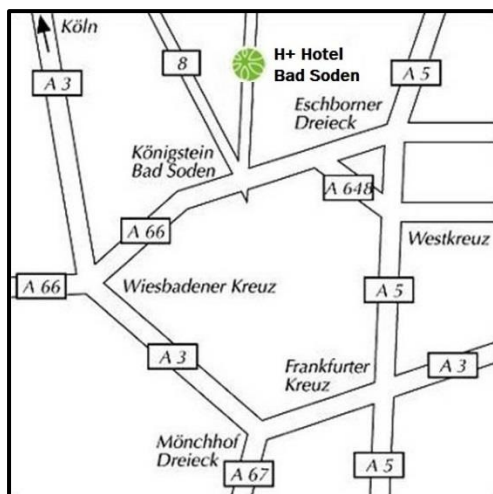

## Vendor Exhibition

Commercial exhibitors will have the opportunity to showcase their products, services and instrumentation. The exhibition will be held in the same hall as the poster session and coffee breaks maximising vendor exposure and facilitating interactions with potential customers.

## Travel information

**By airplane:** From Frankfurt airport it is best to go by taxi (duration 20 - 25 min) to the conference site. Or you can go by the S-Bahn (S8 and S9) to Frankfurt Main Station (HBf). From Frankfurt/Hahn you can go to Frankfurt Main Station (HBf) by bus (20 Euro, 2 h).

**By train:** From Frankfurt Main Station (HBf) you can use the S-Bahn S3 to go to Bad Soden (30 min, final station). The conference site is within walking distance (see map).

**Hotel reservation:** Hotel reservations for the workshop should be done directly at the H+ Hotel. All attendees will receive a link for the online booking with our special rate after the registration for the workshop. We would recommend to reserve the hotel early as the contingent is limited. Alternatively, a reservation can be done on their website:  
<https://www.h-hotels.com/en/hplus/hotels/hplus-hotel-bad-soden>  
by e-mail or by phone: +49 6196-200-0.  
Please use the code “**IIS-CED Workshop 2024**” to get the special rate.

### Closing date for application

### Contact

Exhibition	24 <sup>th</sup> May 2024	Dietrich Seidel
Oral presentation and posters:	17 <sup>th</sup> May 2024	Dieter Muri

Abstracts of the presentations should be sent to Dieter Muri till 17<sup>th</sup> May 2024.

## Registration

Please register online by using the following link to the online registration tool:

### [Registration to the Workshop 2024](#)

Registration fees cover attendance to the scientific programme and entrance to the exhibition area, coffee breaks and lunches during the congress sessions. The Thursday evening event including bus transport and dinner is also covered.

Registration fees:

Full registration:	240 €
Academic persons:	120 €

Please forward registration for the Analytical workshop directly to Martin Sandvoss [martin.sandvoss@sanofi.com](mailto:martin.sandvoss@sanofi.com) or Ralf Kiesling ([ralf.kiesling@boehringer-ingenheim.com](mailto:ralf.kiesling@boehringer-ingenheim.com)).

### **Closing date for registration is 24<sup>th</sup> May 2024**

Please use the following link for online registration:

<https://iis-ced.de/27th-workshop-of-the-iis-european-division-at-bad-soden-2/>

Registrations will be confirmed upon receipt of payment only.

In case of questions with respect to the registration process please contact

Dietrich Seidel  
In den Birken 164  
D-42113 Wuppertal  
Tel: +49 (0) 202 723020  
Email: [treasurer@iis-ced.de](mailto:treasurer@iis-ced.de)

The registration fee for the meeting includes 5€ membership fee (CED). As in the past we will offer the possibility to pay by charging your business credit card. Alternatively, the payment via bank transfer is accepted as in the past. Using bank transfer please transfer the fee to: IIS-CED e.V., Bank Account: Postbank Köln, Account-No. 301455503, branch code 370 100 50; IBAN: DE46 3701 0050 0301 4555 03; BIC PBNKDEFF. **Please do not send cheques.** If there is any issue, please contact Dietrich Seidel.
