

**28<sup>th</sup> IIS-European Division Workshop - 2<sup>nd</sup> Announcement**

*Synthesis and Applications of Isotopes and Isotopically Labelled Compounds*

**May 7 - 8, 2026, Bad Soden (Germany)**

### Invitation

On behalf of the *International Isotope Society - European Division* -, we are pleased to invite you to the 28<sup>th</sup> Workshop at Bad Soden on **May 7 – 8, 2026**.

The workshop will cover all kinds of applications of isotopes and isotopically labelled compounds, from the main fields of the synthesis including new methods in synthetic organic chemistry relevant to isotopic labelling to the applications of compounds labelled with radionuclides and stable isotopes. The meeting will also focus on several other fields related to isotopically labelled compounds, such as molecular imaging, new trends in analytical techniques, radioactive material storage and management, and waste disposal. By established tradition, an analytical pre-workshop starting on Thursday (May 7) morning will be organized by Ralf Kiesling.

### Conference Site

The workshop venue will be the H+ Hotel, formerly RAMADA, located in the centre of Bad Soden, Germany, a spa town with 30 mineral springs close to Frankfurt (15 km northwest). Bad Soden can be easily reached by train (20 min) from Frankfurt Central Station or by car from Frankfurt Airport (15 min). The hotel restaurant is renowned for its services and wonderful park-view location.

### Call for Presentations

As in past years, the organizing committee requests your active participation in this event and invites all colleagues working in the field of isotopic labelling to present their research work in either oral or poster format. The organizers would like to point out that also short contributions are also highly appreciated. Oral presentations will be accepted for time slots ranging from 10 to 30 minutes. This workshop provides also a good opportunity for young researchers from academia to present their work. To help us in generating a preliminary outline for the scientific part of the workshop, please inform us of your interest in presenting your work (either oral or poster format) as soon as possible.

**The deadline for applications (please refer to the abstract submission form page 5) is April 1, 2026.**

## Programme (preliminary schedule)

Thursday, May 7, 2026, 10 am:	Analytical workshop
Thursday, May 7, 2026, 1 pm:	Beginning of scientific sessions
Friday, May 8, 2026, 3 pm:	End of workshop

## Scientific Programme

This year, we are pleased to announce that three internationally recognized researchers will deliver plenary lectures:

- *Dr. Tatiana Besset, COBRA Laboratory, Rouen*
- *Prof. Dr. Bill Morandi, ETH, Zürich*
- *Prof. Dr. Matthias Beller, Leibniz-Institut für Katalyse, Rostock*

These renowned scientists in combination with other already confirmed presentations make us feel confident that we will be able to arrange a very attractive workshop. Nevertheless, we would like to encourage everybody to contribute to this workshop by submitting an abstract and present their scientific work in an oral presentation or at the poster exhibition.

## Social Event

On Thursday late afternoon you are cordially invited to join us for a visit of Königstein, an old town very near to Bad Soden. According to the legend Chlodwig, King of the Merovingians (466-511) had a castle, Königstein Castle, built on a very rock. The first documentary mention of Idstein was in 1215. Enjoy a guided tour through the Old Town, admire the historic buildings and listen to a story collection from a long history. We will have guides in English and German.

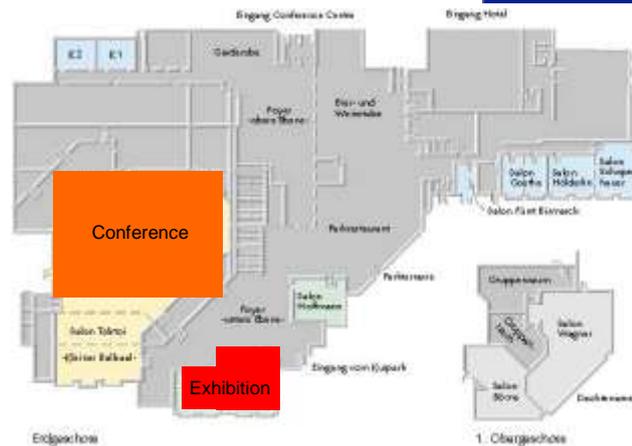

## Sponsoring

To maintain the high scientific standards of this internationally renowned workshop, featuring invited speakers from both academia and industry, and to facilitate student participation, we kindly request your financial support for this event. Your tax-deductible donation to the workshop represents a worthy and highly efficient investment in progress of science and customer relationship. All donors will be publicly acknowledged in workshop correspondence in the workshop transcription and during the workshop days. If you are interested in sponsoring the meeting please contact: **Dietrich Seidel** from the organizing committee ([treasurer@iis-ced.de](mailto:treasurer@iis-ced.de)).

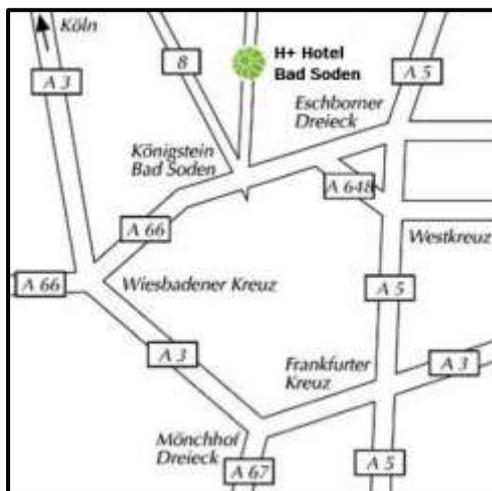

## Vendor Exhibition

Commercial exhibitors will have the opportunity to showcase their products, services and instrumentation. The exhibition will be held in the same hall as the poster session and coffee breaks maximising vendor exposure and facilitating interactions with potential customers.

## Travel information

**By airplane:** From Frankfurt airport it is best to go by taxi (duration 20 - 25 min) to the conference site. Or you can go by the S-Bahn (S8 and S9) to Frankfurt Main Station (HBf).

From Frankfurt/Hahn you can go to Frankfurt Main Station (HBf) by bus.

**By train:** From Frankfurt Main Station (HBf) you can use the S-Bahn S3 to go to Bad Soden (30 min, final station). The conference site is within walking distance (see map).

**Hotel:** Hotel reservations for the workshop should be done directly at the H+ Hotel. All attendees will receive a link for the online booking with our special rate after the registration for the workshop and income of the registration fee. **We would recommend to reserve the hotel early as the contingent is limited.**

## Registration

Please register online by using the following link to the online registration tool:

### [Registration to the Workshop 2026](#)

Registration fees cover attendance to the scientific programme and entrance to the exhibition area, coffee breaks and lunches during the congress sessions. The Thursday evening event including bus transport and dinner is also covered.

Registration fees:

Full registration:	240 €
Academic persons:	120 €

Please forward registration for the Analytical workshop directly to Ralf Kiesling ([ralf.kiesling@boehringer-ingenheim.com](mailto:ralf.kiesling@boehringer-ingenheim.com)).

### **Closing date for registration is 1<sup>th</sup> May 2026**

Registrations will be confirmed upon receipt of payment only.

In case of questions with respect to the registration process please contact

Dietrich Seidel  
In den Birken 164  
D-42113 Wuppertal  
Tel: +49 (0) 202 723020  
Email: [treasurer@iis-ced.de](mailto:treasurer@iis-ced.de)

The registration fee for the meeting includes 5€ membership fee (CED). As in the past we will offer the possibility to pay by charging your business credit card. Alternatively, the payment via bank transfer is accepted as in the past. Using bank transfer please transfer the fee to: IIS-CED e.V., Bank Account: Postbank Köln, Account-No. 301455503, branch code 370 100 50; IBAN: DE46 3701 0050 0301 4555 03; BIC PBNKDEFF. **Please do not send cheques.** If there is any issue, please contact Dietrich Seidel.

## Registration for exhibition

The vendor exhibition and poster session will take place in salons "Stolze" (7,50 x 6,50 m) and "von Bethmann" (8,50 x 9,00 m). In the whole exhibition area a height of 3 m is provided. Prices for booths (standard size: two square meter) are effective for the duration of the congress. Closing date for payment is **24<sup>th</sup> April 2026**. Registrations will be confirmed upon receipt of payment only. For special needs and requirements or if you need additional floor space please contact Dietrich Seidel ([treasurer@iis-ced.de](mailto:treasurer@iis-ced.de)).
